OUR VISION

To be a leading provider of engineering and fabrication services in the oil and gas industry, recognized for quality, reliability, and sustainability

OUR MISSION

To deliver innovative and efficient solutions that exceed client expectations, fostering long-term partnerships and contributing to the development of Malaysia's industrial sector.

Our Philosophy

- Our philosophy is to combine expertise, innovation, and a commitment to excellence to deliver solutions that not only meet but exceed client expectations, while fostering a culture of sustainability, safety, and mutual respect.

OUR SERVICES

From engineering precision to sustainable solutions, our core services are designed to meet diverse industry needs with efficiency and reliability.

ENGINEERING & FABRICATION

- Design and construction of steel and metal structures.
- Custom fabrication for industrial applications.

INSPECTION AND VERIFICATION

- Comprehensive inspection and verification of weighing and measuring instruments.
- Re-verification and stamping services to ensure compliance with industry standards.

SPECIALIZED SERVICES

- Hydrotesting and pressure testing.
- Rental of cargo handling equipment.
- Tank cleaning and maintenance.

INFORMATION TECHNOLOGY AND SOFTWARE DEVELOPMENT

- Innovative digital media solutions.
- Development of custom software for industrial and operational efficiency.

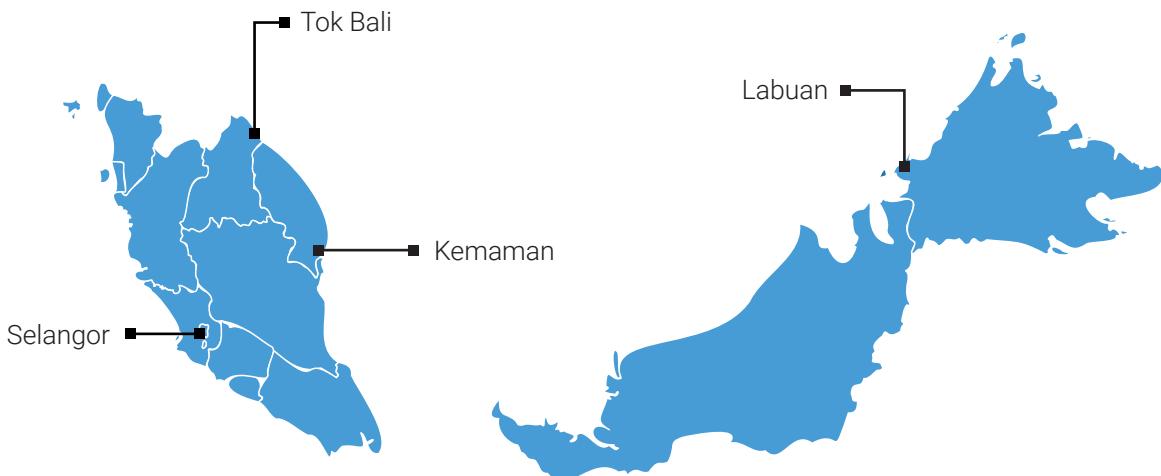

GREEN DECONSTRUCTION AND SCRAP MANAGEMENT

- Sustainable methods for container design and construction.
- Environmentally friendly scrap management and disposal services.

KEY LOCATIONS

AMTRADE VENTURE operates from strategically located bases across Malaysia, ensuring efficient service delivery and accessibility to key industrial hubs.

SELANGOR

A10-3A, Block A, Jalan Selaman 1/1, Dataran Palma, 68000 Ampang, Selangor.

KEMAMAN

OY74-Amtrade, Phase 2, Kemaman SupplyBase, 24007 Kemaman, Terengganu.

LABUAN

Lot 39, IKS MPL, Jalan Ranca-Ranca, 86020 Labuan.

TOK BALI

PT 6875-A, Tok Bali Supply Base, Jalan Tok Bali, 16800 Pasir Puteh, Kelantan.

This network of locations enables us to deliver our services effectively while staying connected to the industries and communities we support.

Meet Our Team

Our team is a dynamic blend of experienced professionals and talented young innovators, combining seasoned expertise with fresh perspectives. This unique mix of skills and energy enables us to tackle challenges creatively and deliver exceptional results, all while maintaining a strong commitment to collaboration, quality, and client satisfaction.
